## MOUNTING INSTRUCTIONS

### HOW TO INSTALL THE MOON CHANDELIER

1. Screw the metal mounting attachment to the ceiling.

2. Adjust cable lengths to desired height. Use a screwdriver to open the cord grips and adjust. Tighten the cord grips when desired height and look is achieved.

3. Install the electricity. Always shut off power to the circuit before starting installation work. In some countries electrical installation work may only be carried out by a authorised electrical contractor. Contact your local electricity authority for advice.

4. Place the ceiling cup upon the metal mounting and screw the knob nut to fasten it.

The Moon Chandelier is delivered with 2 meter long cords for all pendants. Several different heights and looks can be achieved by adjusting the lengths. Need advice? Contact [sales@nudcollection.com](mailto:sales@nudcollection.com)

For an additional cost you can customize the length of the chandelier.
